 1s split 3s with handy hand allemande x 1 1/2 (ladies left hands, gents right) (8)

Order after once thru: 2-3-1

B2 – the first handy hand allemande leaves the 2s at the top of the set and sends the 1s down the middle of the set.

Ask the 1s and 3s to stand facing into the set (1s facing down, 3s facing up) and a bit apart from their partners. This will help make the handy hand clear for the allemandes.

Written March 9, 1999, and first called at the Eugene, OR contra dance on March 13, 1999.
